

TINY TASK 4

MY OWN WAY OF WELCOMING

Hi again! What is your own way/style of welcoming someone?

Step 1: Please print the provided set of pictures in A4.

Step 2: Imagine that you are working in an international company. Next week you are responsible for hosting five guests from different branches. They have different nationalities and backgrounds and you have never met them before. How would you welcome them?

Step 3: Imagine you are hosting a party and you want to invite five of your best friends to your party. They are coming to your house how would you welcome them?

Step 4: Make a collage of the welcoming moment in one A4. You can use a set of images provided to you. If you they are not enough or you are missing images, please feel free to make them according to your own style.

Step 5: Please, do not forget to bring them (2 page of A4 of your collage) to the Kish Design Event.
